

HEATER LIFTING HAND TRUCK

DLR 150

Technical qualities:

To easily and safely lift a heater while installing or uninstalling, including in the least accessible places.

The crank controls the lifting of the platform thanks to a $\varnothing 4$ galvanized steel cable.

The self-locking winch is also made of galvanized steel.

Ref. 300 205

The Heater Lifting Hand Truck DLR 150 facilitates handling of your heaters.

- EPOXY painted steel strong chassis
- Light
- Handy
- High quality manual lifting winch

Applications:

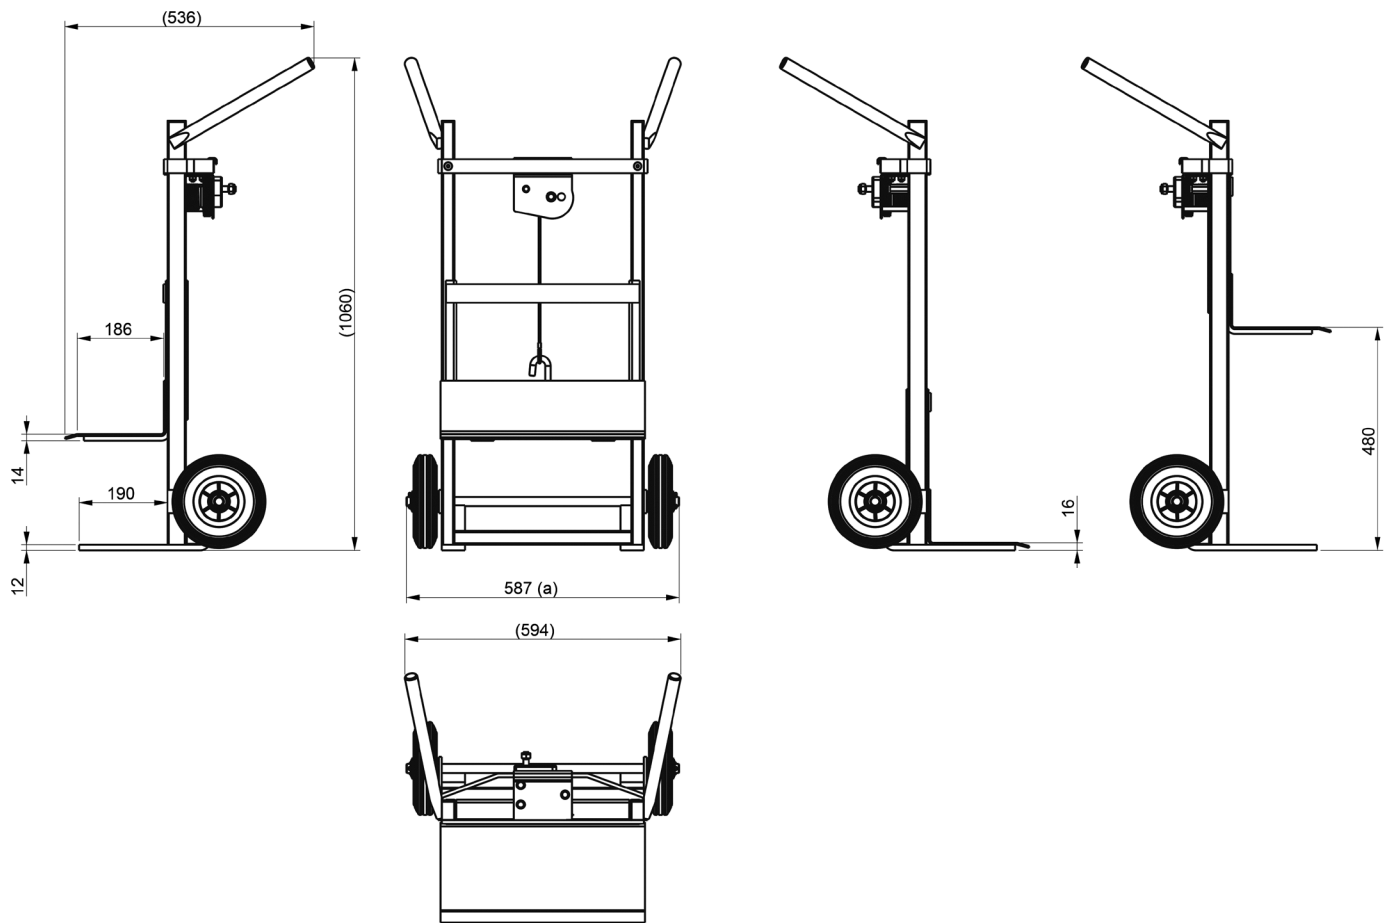

- Handling on construction sites
