

# STAINLESS STEEL MINI STACKER

## MG 100

### Technical qualities:

The MG 100 stainless steel Mini Stacker is versatile thanks to its wide range of accessories.

Robust and resistant 304L stainless steel chassis.

These 4 directional wheels make it very handy.

Comes standard with a zinged steel winch, it can also receive a 316L stainless steel winch <sup>(1)</sup>.

Its easily removable forks offer the possibility to modify their spread on request.

The wide handles allow, regardless of the size of the user, a comfortable grip.

The sheaving of the lifting cable allows a large load to be lifted while limiting the effort to be produced.

### Ref. 300 198

*The MG 100 stainless steel Mini Stacker is very versatile, thanks to its many accessories it solves various handling problems.*
