

STEEL LOAD MANIPULATOR

MCH 150

Technical qualities:

The MCH 150 Steel Mini Stacker is available with 2 wheel versions:

Fixed polyamide rollers or swivel casters, depending on use.

The fixed polyamide rollers optimize the passage under machine.

The swivel casters increase its maneuverability.

With removable plastic protectors, it respects the integrity of the load you are handling.

The large handles allow a comfortable grip, whatever the size of the user.

Ref. 300707⁽¹⁾ / 300708⁽²⁾
